ROBERT W. LEHRBURGER, United States Magistrate Judge.

As discussed during the initial pretrial conference held on April 5, 2023, the parties shall (1) meet and confer about early exchange of documents and information pertaining to Defendant's insolvency and the prospects for early resolution by **May 5, 2023**, and (2) file a joint status letter addressing the early exchange of information, whether the parties desire early alternative dispute resolution, and, if so, whether they prefer the Court-annexed mediation a program or a conference with myself. If the parties disagree as to the preferred forum, they shall not indicate which party prefers which forum but shall instead merely note that the parties do not agree, in which case I will determine the forum to be used.
